# DEDICATION

I dedicate this book solely to The Lord Jesus Christ, who by The Holy Spirit granted unto me access into certain spiritual truths and mysteries in the prophetic which I know were beyond my normal range of sight to be able to understand, comprehend and document for the benefit and edification of all. I also want to dedicate this book to everyone that so desire to function in the prophetic, and to those that care so much to have an understanding of how the prophetic functions and influence the earth from the heavens. *Angelic Encounter and Visitation* have never been exclusive, preserved for a few elites, it is a realm that is open to all by God. The prophetic and vision is a manifestation that all are called into in God. May you not be excluded from the manifestation and functioning of the prophetic in our day and time!

Blessings to you all!  
Philip Cephas

# ACKNOWLEDGMENT

I thank The LORD for all those sacrificial servants who have upheld my arms as we continue with endurance to run the race that is set before us. I also want to thank the pioneers who have gone before us in exploring the dimensions of the angelic realm. Where would we be without them? Books and sermons have always been my mentors—so thanks to all those who laid the foundation that we get to build upon. Lastly, I want to thank my dear family and friends. I am truly grateful to The Lord for such family and friends who love The LORD and desire to see His kingdom come on the earth.

ANGELIC  
ENCOUNTER  
&  
VISITATION

# ANGELIC ENCOUNTER AND VISITATION

**E**ncounter should be a normal experience for every believer. As a believer, you should be full of encounters with God's Spirit and with the heavenly. The more you encounter the heavenly, the more heavenly minded you become. One of the most controversial encounters that people debate on daily basis and try to validate is the encounter with angels. This encounter is not an exclusively reserved for a group of elites, but an encounter for all in God. The angelic realm is opened to whosoever God chooses to relate with in that dimension, whether a believer, unbeliever or even an idol worshipper.

From the beginning of the scriptures, we see how concurrently God sent angels to communicate and relate with humans on earth and this

people of old never considered it strange a manifestation as seen in our day. The subject of the angelic cannot be overemphasized. I cannot write much about the angelic in this chapter, nevertheless I will shed a little light for the purpose of this chapter. If you so desire more light and revelations on the angelic, then I urge you to study the scriptures on the dealings of God with humans via the angelic.

The angelic has been misunderstood by many, although many books have been written to address and give more light on the subject. Ask The Holy Spirit to lead and direct you on some of the books to read, so that you will have a clear picture and the perspective of God regarding the angelic and its manifestation.

The visitation of God has the ability to preserve people. We have seen God visit people in times past and His visitation was done by many angelic encounters that resulted in tremendous manifestations on the earth. The visitation and encounters of the angelic is an announcement of a new thing on the earth. When God sends an angel to a man on the earth, He is willing to do something supernatural that will have great impact overtime.

In the Old Testament, angels appear frequently to men and were even seen eating with humans face to face. When the angels of The LORD were going to destroy Sodom and Gomorrah, they came to Abraham and fellowshiped with him. Abraham gave them food and they did eat before they left. As they ate, they spoke to Abraham about the birth of his son Isaac as a plan in God's purpose and Abraham pleaded for the saving of his cousin Lot who resided in the land they were sent to destroy.

Lot on the other hand dwelt between Sodom and Gomorrah and as the angels came, he welcomed them and took them to his house to eat and fellowship. It is normal in times past for angels to eat food with men. Angels are products of light, but by the permission of God can take a nature of flesh to relate with humans on the earth. Angels are not disembodied spirits because that nature still resides within them. On the other hand, demons are disembodied spirits because the potential and ability to take a body of flesh was taken away from them when they backslide into darkness.

Angels being products of light sustain the covering weight that can materialize as flesh nature on earth to be seen by humans, but that nature is never revealed at any time except if permitted by God The Father Almighty. Angels don't just invade the earth, they come by the permission of God to execute a function. The earth realm is that of body and flesh and for anyone to relate effectively on earth, the nature of a body and a flesh is needed. If you don't have a body, you are on earth illegally and can't function until permitted in a body. No wonder demons seek earnestly for a body to possess so that they can be legal to function on earth. The angels are not disembodied as demons are, just that they don't take the nature of flesh and body unless permitted by God. Angels can take you to the realm of the spirits when summoned by God since you have a spirit. Angels are saddled with many responsibilities on earth even though they are not visible to most humans.

*Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?  
Hebrews 1:14*

You don't have to be a spiritual person to see an angel. God's angel can be sent to anyone to minister to him in a season. I once had a friend that was not very spiritual according to human measure, but he sees angels frequently. Also, there are many people, young and old that since they were born they naturally see angels. This people may not even know how to relate and welcome the angels, but they still keep seeing the angels and their manifestation.

Holy angels are never given the permission to possess humans, but they can surely influence our lives on earth. You can be influenced by an angelic presence and even share in their strength and glory. This may look strange to people, but it is true. When you constantly have angelic encounters, a time will come when you begin to share in the strength and glory of the angels. Supernatural strength and abilities can begin to function in your life and this sharing in strength and power is also permitted by God.

The children of Israel were fed with "manna" which was the bread of angels for many years. The power of that manna was seen

manifesting in their lives. They moved and travelled by foot without getting weary. Their cloths and sandals grew with them and they never got old. Elijah was given food by an angel and the angel demanded he eat and eat again. After he had eaten, he was able to move in the strength of that angel food for 40 days and 40 nights. That was the influence of the food of angels. Angelic influences can be extraordinary, but God has to permit it to happen. When God does not permit any influence of the angels on humans, it will always result to evil and propagation of darkness on the earth overtime. This occurred in Genesis 6, when the angels of God came and slept with the daughters of men. This unholy alliance with each other resulted in the birthing of Nephilim who were giants that ruled and terrorized the earth at that time. These Nephilim encouraged men into rebellion that God had to intervene by destroying the whole earth. This may look controversial but it is the truth.

Giants like Goliath and some recorded in the scriptures were a products of unholy alliances of humans and spirit beings. People of old were that rebellious to God's commandment and precepts. In the house of Lot when the angels came to dine with him, the people of the land that were perverted into iniquity came and sought to sleep with the angels, but Lot offered to give his daughters to them instead of the angels. They never got to sleep with either the angels or his daughters because the angels intervened. That was how terrible it was in times past. People abused the privilege God gave them of relating with angels.

I believe one of the reasons why angels are not that common and visible in our days is because of the abuse of the privileges given in time past and how fallen angels now always seek to corrupt every genuine thing that God seek to initiate on earth. Nevertheless, angels are still friends to humans as God has put them as ministering spirit to minister to us heaven's realities. It is true that God has set His angels to watch over each and every one of us. He sets His angels in charge over all His creations. Many refer to them as "guardian angels." The word 'guardian' means watcher and one who looks over you. If it is true that God has set His angels to watch over His creation of which we are a part of and since we are mobile as humans, then the angels are mobile as well. There are more spirits on earth than there are human beings.

It was never an issue whether angels will not be sufficient for each creation because God created angels even before humans were given birth to on the earth.

Angels are mostly categorized by the nature of the work they do, their degree of light and closeness to the throne of God. The throne of God is the centre of power and light. The closer an angel is to that throne, the more light and power he carries and sustains. Angels always radiate and illuminate light because they are products of light, high ranking angels radiate more degree of light when you see them and some even cause earthquake as they walk the earth. Most times, angels and spirits don't touch the ground when they are not materialized on earth because it is illegal for them. They surely need a body for that to be possible. They are usually seen floating on the air.

Angels are ministering spirits sent by God to His creation to minister to them. There are angels that are referred to as messenger angels. These angels are sent to deliver messages by God on consistent basis. Arch angel Gabriel is the chief angel among that category of angels that God sends to deliver messages to mankind. There are others that are in charge of warfare and combat, they are warring angels that fight with darkness and demons when God permits. Arch angel Michael is the chief among that category.

There are some angels that are in charge of watching over people, places and things. These are referred to as watchers like the cherubim. These angels guard territories with spiritual resources and guard people of value that God is jealous of. There are angels that guard people daily. They are referred to as guardian angels. These angels are believed to be attached to everyone on earth whether good or bad. Jesus spoke and said, we should be careful not to hurt the little ones for their angels are standing in the presence of God. That is to give us an understanding that, there are angels that stand by us and report to God our dealings in life. These are our guardians on earth even if men don't care to watch over us. There are also ministering angels that come to take our prayers and petitions to heaven, as it is written in the book of Revelation that, the angels of The LORD take our prayers and petitions to heaven in the form of an incense.

There are angels that guard the holiness of God. These are the seraphim. Also, there are those that guard the glory of God, these are the cherubim. The seraphim are also referred to as the “burning ones,” they are angels that are jealous of the things of God. They have a holy anger to protect the holiness of God. The cherubim are also referred to as the “zealous ones”, they are very zealous for God’s kingdom. You don’t see such angels until you have a holy jealousy and zeal for God and His kingdom. The living creatures are another dimension of the angelic that stands by God. They contain His glory and light. The wheels are another dimension of the living creatures upon which God uses to move and travel as a chariot on earth.

There is so much about the angelic that I cannot cover all, but surely all you need to know about the angels are written crystal clear in the scriptures. When you study the dealings of angels with human overtime, you will have an understanding of the pattern of their dealings. That understanding is necessary so that you can be able to relate with one when God sees it fit to send him to you on earth. Angels are not to be feared, they don’t hurt human beings.

Most times when you see an angel, it is because they are on an assignment that involves you directly or indirectly. There is also ranking even in the realm of the angelic and angels never break their ranks before God. Not all angels stand in the presence of God, so also not all are sent by God. Arch Angel Gabriel was in charge of delivering messages of redemption to mankind. Also, Arch Angel Michael is always involved in battles and warfare.

The ranking of the angelic is different from the categorization of the angelic. Angels can be categorized into many categories as I have shown by their functions and they can be ranked by the degree of light and how close they are to the throne of God which is the centre of power and influence. As I study on the subject matter, I found several categorization and ranking of the angelic that are worthy of note. This ranking is based on the proximity of the angels to the throne of God and the power and degree of light they sustain. The closer an angel is to the throne, the more strength and power they possess above the others because not all angels stand in the presence of God. There is a chain of

command from the top to the bottom and God made it so in the very beginning.

## **The Angelic Ranking**

- **Living Creatures**
- **Wheels (Owphanim)**
- **Seraphim**
- **Cherubim**
- **Arch Angels**
- **Angels**
- **Spirits**

This is the ranking of the angelic that I found and ascertained as I studied. The living creatures are found to be the closest to the throne of God. Then, the wheels which is another dimension of the living creatures, but they take that dimension when God wants to move from His throne to the earth. The Seraphim and the Cherubim are found together as one relates to God's glory and the other God's holiness. Some scholars believe that the Cherubim should come before the Seraphim and that is also accepted because they are all referred to as the burning ones and they are very jealous for the throne of God protecting His glory and holiness.

After the seraphim and the cherubim, it is the arch angels, then other angels and finally spirits. These spirits are part of the celestial beings that God created that responds to Him when needed for an assignment on earth. Lucifer was a special kind of creature. He was the light bearer and the most anointed among the angels of his time. He was purified always as he walked up and down the coals of fire in the

presence of God. He was both the arch angel of worship and a cherub that covered the presence of God. He was referred to as the morning star and admired by the angels of God. Jesus Christ is the bright morning Star and Jesus is the only Star that is ranked above Lucifer the morning star.

*Moreover, the word of the LORD came unto me, saying, Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty. Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. {sardius: or, ruby} {beryl: or, chrysolite} {emerald: or, chrysoptase} Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee. By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore, I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire. Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee. Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. All they that know thee among the people shall be astonished at thee: thou shalt be a terror, and never shalt thou be any more.*

*Ezekiel 28:11 - 19*

*How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! {O Lucifer: or, O day star} For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit. They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms; That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners? {opened...: or, did not let his prisoners loose homeward?} All the kings of the nations, even all of them, lie in glory, every one in his own house. But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet.*

*Isaiah 14:12-19*

These scriptures reveal to us how God in times past crowned Lucifer with so much glory and beauty that he became perfect in beauty, but he was imperfect in the heart until evil finally was revealed and found in him. This made him lose the place of the beloved of God and was cast out from the holy mountain of God, his glory was taken away from him as well. His sin was the desire to put himself above the stars of God and be like The Most High God. The word 'stars' refer to the angelic princes of God created in heaven and on the earth.

The living creatures rank far from the devil. He was an arch angel and a cherub but of a special kind. It was recorded that arch angel Michael and his subordinate fought against Lucifer until he was cast out from the mountain of God as profane. Evil became his companion and darkness his dwelling. Lucifer which became the devil that now dwells in darkness with his subordinate which are now called fallen angels and demons. They only seek to deceive and pervert the things of God on earth knowing that they have but a limited time until they are judged to the lake of fire.

The devil wishes to deceive and pervert creation so that God cannot help but judge him and also judge His creation including the man He love. But thank God for redemption and Christ Jesus The Anointed One who has anointed men and women to bring many souls from darkness to light. With the help of the angels of God and a partnership with holy men, the kingdom of heaven will invade the earth and the devil will be put to shame.

Seeing angels and having prophetic experiences can never automatically make you more spiritual than others that can't see, nevertheless, it can build some spiritual structures within you to believe and contain more of God's dimension on earth. There are many beggarly believers that see angels' often, but seeing angels have nothing to do with your spiritual maturity. God can choose to permit you that privilege by grace to access that realm even as a spiritual babe. Seeing angels will do no good to you if it doesn't add up to your knowledge and revelation of Christ Jesus. Angels are sent to release impartations and deliver messages to mankind. If you only but see and receive neither an impartation or a message, then your encounter of the angelic is devoid of truth and spiritual realities and as such, it will not add up to your processes in God.

Angelic encounters are supposed to be supernatural. They may not be spectacular, but they are not usual. Angels don't just come to do business in this realm if not sent by God, but people can be carried away in the amazement of seeing them that they forget the main reason why they came to them. When you are visited by an angel, seek to gain an understanding of the purpose of the visitation than just being amazed that you have seen an angel.

In times past, people encounter angels and their lives take a new cause, but others also saw angels and asked for an unholy alliance like the people of Sodom and Gomorrah. Your heart posture also matters when you see an angel. The scripture says we should be careful not to say in the presence of an angel that we made a mistake because angels are sensitive to the words we speak and whether it's a joke or not, they take words said seriously.

In Genesis 6, people had the privilege of meeting with angels and this resulted in more darkness due to unholy fraternity and partnerships. This act resulted in the perversion of the whole human race in that time. When an angel is not sent and assigned to you by God, they will do you no good and even if you seek to relate with them to partner, you will end up either hurting yourself or mankind. This is also true about prophetic encounters and experiences. God has to initiate it then you respond by faith.

I can be designated for an encounter and a visitation on a particular day by God and you may be in my room and the presence of God will come to me alone releasing that encounter without you knowing. You can partake of that encounter if God so wishes, but prophetic encounters and experiences are personal and given by God in seasons of demand; you don't manipulate them to happen. When you try to manipulate prophetic experiences to occur in your life, you begin to practice witchcraft and wizardry. It is true that people do have spirit transport by The Holy Spirit, but it is also true that witches and wizards travel and fly by night and day also; this they do at will by the agency of demonic spirit and princes. Elijah was able to call down fire to consume the prophets of Baal by The Spirit of God, but there are wizard that do that by demonic spirits. The picture I want to paint is that, the very moment you try to force yourself into having a spiritual prophetic experiences, you will end up attracting demonic spirit that will open you to certain astral realms that is counterfeit to the original divine. You don't have to be that desperate to see angels, if God so desires it for you, you will one. He will send him to you and you will not have to do anything to see him. But if you do see angels, then begin to develop a habit of welcoming them and try to understand the messages they bring and partake of the impartation they give you.

There are so many angelic encounters and visitations as seen all through the scriptures, but I will highlight but a few for the benefit of understanding. Mary the mother of Jesus had an encounter with arch angel Gabriel, who told her she would be pregnant with a son by The Holy Spirit and He will become The Messiah that will take away the sins of the whole wide world. This encounter changed her life and gave her a new designation as one beloved among women forever.

Jesus Christ lived a supernatural life till death. His death, burial and resurrection, His birth was prophesied by the prophets and spoken by wise men. Wise men saw His star that led them to the very place where He was born. His preservation was supernatural because angels appeared to His father to give him direction on what to do to prevent the child from being killed by the evil decree of the king. When He was of age and after the baptism of John the Baptist, it was recorded that as He fasted and angels came to Him to strengthen Him.

Abraham the father of faith had numerous angelic encounters which were normal to him. Being able to see angels is not a big deal for people of faith. The realm of faith is that of the angelic. Jacob also wrestled with an angel for His blessings which resulted in the change of his name from Jacob to Israel. Paul the apostle on his way as they sailed on a ship had an encounter with an angel that told him that they will encounter a shipwreck, but no life will be lost and so it came to pass.

Gideon was hiding from the enemies threshing wheat not knowing that God planned to give him an encounter through an angel on that day. The angel brought a message that God has made him a deliverer in that time. While he was hiding, an angel appeared to him and called him a mighty man of valour which is the way God sees him. From the speaking of that angel, Gideon's life took a new cause of destiny and purpose to deliver the people of God.

*And there appeared unto him an angel of the Lord standing on the right side of the altar of incense. And when Zacharias saw him, he was troubled, and fear fell upon him. But the angel said unto him, Fear not, Zacharias: for thy prayer is heard; and thy wife Elisabeth shall bear thee a son, and thou shalt call his name John.*

*Luke 1:11-13*

Zachariah, a high priest was blameless and walking with God as was his wife Elizabeth, but she was barren and could not conceive a son for him. As he ministered to God as it was his time in the temple, Arch angel Gabriel appeared and encountered him. The angel told him how his wife will give birth to a son who will announce the coming of The Messiah to the earth. The name of the son was given by the angel to be

John. Zachariah objected and spoke words of unbelief which resulted in the rescinding of his ability to speak until the birth of John.

Joshua was a warrior in Israel and a leader after Moses. When they were set to take over Jericho, he encountered an angel and he was instructed as to what to do to conquer Jericho. As they followed the instructions given by the angel, Jericho was conquered. So also in like manner, people have had tremendous encounters with angels that have changed the cause of their lives. Samson's birth was spoken of by an angel and the instruction for his preservation was given by the same angel. Angels are not to be sought after by us, but when God wants to use them to minister to us, we will have an encounter with them. There are times you don't see them, but the impartation needed is released to you by them at God's command.

Angels are encountered mostly in the place of prayer. Prayerful people always have encounter with angels knowing and unknowingly, angels come to bring answers to prayers. Daniel had numerous encounters with angels that came to give him answers to prayers and petitions. Understanding and strength can be given by an angel, revelation to secrets and things can also be given to us by angels.

Most ministers and prophetic individuals have this realm open to them which makes them active in the spirit realm. Many years ago as I began to pray and fast often, I began to have angelic encounters and visitation. These encounters were strange to me until I gained understanding of them overtime. Angels come to take me on a tour of the heavens showing me heavens' realities and truths. Such encounters open me to the spirit world and increases my awareness and perception in the spirit.

Angels are beings of light and carry power and as you relate with them, you share in their strength and power overtime. Angels can talk to you via your spirit. They can come to deliver spiritual gifts to you as impartations in co-operate meetings and personal time of fellowship. While praying during my times of angelic encounters, I do perceive a presence around me that carry light and strength.

I do have angelic encounters in dreams and visions of the night.

There are few times when I see angels without being asleep. There was a season in my life I can recall that God permitted His angels to come teach me spiritual truths and realities for close to a month. It was a season I can't forget because the encounter was so supernatural. Most of the spiritual truth I know and function with are products of such an encounter of many years with those angels. These angels come to my room frequently and remain, communicating with me till morning. They relate with my spirit and release light, strength and illumination upon me. This impartation I know was real and alive in me daily, one day as two were standing by me, I was on the phone talking to a friend when I said am tired of this angelic companionship, immediately the one by the left stretched out his hand towards me and light hit me and slain me for a long time. It was like a rebuke to me not to speak such folly without knowledge concerning them. Angelic presence can open portals that will grant you access to spirit realities. Those seasons in my room was like heaven with a different atmosphere. This manifestation was visible to others who can attest to it well.

Heaven has gates and windows and those portals can be opened by the angels when they come to visit in a place on earth. When the portals [gates and windows] of heavens are opened, spiritual resources are transacted between realms. When Jacob laid to rest and saw heaven open, he saw angels ascending and descending upon a ladder, there was an exchange between the two realms. It was also an invitation for Jacob to come up higher to a realm not known by too many. The opening of the heavenly is as a result of the entrance of angelic princes into the earth.

When angels encounter people, they release impartations on them to fulfil the will of God in their lives. When the portals of heaven is opened, the blessing of God permeate the earth realm. When it comes to the angelic and its function, faith and prayer is a vital tool to hold onto. Angels are perceived by faith during prayers as they come to minister to us. We must believe that they exist and are on our side ready to do us good.

God still wants to partner with man on earth. Through the ministry angels, things are made easy when angels are engaged to help mankind.

As God send angels to help and assist us on earth, we must learn to welcome them by faith and walk with them to fulfil the will of God. You welcome them by believing in them and the message they came to profess, giving them an open heart to speak that which God sent them to communicate. You are never to worship an angel because they are also part of the creation of God, but they need to be believed by humans.

I pray that as God sends angels to come help you in fulfilling His will and purpose on earth, you will be able to welcome them and walk with them. You will not be deceived by the devil into darkness and witchcraft because your love for God is your security and it will prevail against all craftiness of the devil. May God watch His word over your life to fulfil it. Amen.

Shalom!!!
